NEW UPDATES

Following the successful completion of our focus groups, we are thrilled to announce the final draft of our handbook and unveil the first look of our Business Pride platform! We are now seeking experts to participate in pilot testing these resources.

Additionally, we are calling on LGBTQIA+ support entrepreneurs, businesses, organizations, activists, and youth workers to join us as mentors for learners and young people seeking guidance. Your mentorship can make a lasting impact on empowering the next generation of LGBTQIA+ entrepreneurs.

Want to see our analysis report? It highlights the findings from our survey, which delved into the challenges and opportunities for LGBTQIA+ youth and allies in entrepreneurship, inclusivity in business, and the support needed for their growth.
